FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal requires juvenile officers to send truancy reports to school districts. If the child is a private, parochial, or home school student, the school district must refer the reports to the prosecuting attorney. If the child is a public school student, the school district may refer the reports to the prosecuting attorney.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
